This is an outstanding absolutely free of charge Bible Institute which besides lectures on different doctrinal and biblical subjects has a large portion of practical subjects. This is a site that is suitable to the whole family. You study subject by subject and lecture by lecture. Every lecture has an examination which can be taken only once. You may receive a letter of completion per subject, division and level (and there are three levels). After completing all 100 courses a diploma is granted. All certificates are downloaded in PDF.
