[Von Rad, Gerhard ; Brueggemann, Walter. Old Testament Theology: The theology of Israel's prophetic traditions \(1960\) \(Read on-line\)](#)

A classic old testament theology from the viewpoint of the history of religion liberal school. He says the in the OT there are traditions that are preached and re-preached which is the kerygma of the Old testament.

[Eichrodt, Walther. Theology of the Old Testament \(1967\)](#) A classic Old Testament theology with one single theme in focus: the covenant. Concerning covenant as a theological center he speaks about: names of God, nature of God, instruments of the covenant, breaking, fulfillment, problems.

[Kaiser, Walter C. Toward an Old Testament Theology \(1978, 1991\) \(Read on-line\)](#) This book covers about 320 pages and centers on the canonical books of the Old Testament. The author chooses as a center of his theology the promise of God. He goes through 10 Old Testament periods and shows the main doctrines which are important to every period. He begins with the method and problems of OT theology, the problem of identifying a theological center, and what

structure OT theology should have. Recommended.

[House, Paul R. Old Testament Theology \(1998\) \(Read on-line \)](#) from a conservative evangelical perspective. The author takes seriously the divine inspiration of the Old Testament and God's character so God is the focus of this theology. He: creates, delivers, is holy, expects faithfulness, renews covenant, gives rest in the land, disciples, blesses, protects, shapes history, saves, enforces the covenant, is present, keeps promises, rules, is worth saving, reveals wisdom, extends mercy, oversees sexuality, defines meaningful living. See also his lectures on the bottom of the page. This is maybe the best thematic Old testament theology. Highly recommended!
